EFFECTIVE DATE: November 25, 2016

THIS INDEPENDENT CONTRACTOR SERVICES AGREEMENT (the “Agreement”) is made by and between THE FINANCIAL OVERSIGHT AND MANAGEMENT BOARD FOR PUERTO RICO (the “Board”) created by the Puerto Rico Oversight, Management, and Economic Stability Act, 48 U.S.C. chapter 20 (“PROMESA”), and STEPHEN S. McMILLIN, U.S. POLICY METRICS (“Contractor”). The Board and Contractor hereby agree as follows:

1. Engagement of Services. The Board may offer Project Assignments to Contractor in the form attached to this Agreement as *Exhibit A (“Project Assignment”)*. Subject to the terms of this Agreement, Contractor will render the services set forth in Project Assignment(s) accepted by Contractor by the completion dates set forth therein.

2. Compensation. The Board will pay Contractor the fee set forth in each Project Assignment for services rendered pursuant to this Agreement. Contractor is responsible for all reasonable expenses incurred in the performance of services under this Agreement. Contractor will be reimbursed only for expenses which are expressly provided for in a Project Assignment or which have been approved in advance in writing by the Board. Contractor must furnish all documentation for authorized expenses the Board reasonably requests. Payment of Contractor’s fees and expenses will be in accordance with terms and conditions set forth in the applicable Project Assignment. Upon termination of this Agreement for any reason, Contractor will be paid fees on the basis stated in the Project Assignment(s) for work which has been completed.

3. Independent Contractor Relationship.

3.1 Contractor’s relationship with the Board is that of an independent contractor, and nothing in this Agreement is intended to, or should be construed to, create a partnership, agency, joint venture or employment relationship. Contractor is not authorized to make any representation, contract or commitment on behalf of the Board unless specifically requested or authorized in writing to do so by the Board.

3.2 Contractor shall be responsible for exercising independent discretion and judgment to achieve the results specified in this Agreement and in any Project Assignments, and no member, officer, agent or employee of the Board shall have the authority to direct Contractor as to the manner or means employed to achieve such results.

3.3 Contractor shall be responsible for providing all tools and equipment necessary to perform services under this Agreement and any Project Assignments. Contractor shall bear all expenses associated with the provision of services under this Agreement and in any Project Assignments, except as otherwise agreed to pursuant to Section 2 of this Agreement.

3.4 Contractor will not be entitled to any of the benefits that the Board may make available to its employees, including, but not limited to, group health or life insurance, profit-sharing or retirement benefits.

3.5 Contractor is solely responsible for, and will file, on a timely basis, all tax returns and payments required to be filed with, or made to, any applicable tax authority with respect to the performance of services and receipt of fees under this Agreement.

3.6 No part of Contractor's compensation will be subject to withholding by the Board for the payment of any employee payroll or income taxes.

3.7 Any employees or agents of Contractor shall be the sole responsibility of Contractor, and shall not be employees or agents of, or paid by, the Board. Neither the Contractor nor its employees or agents are entitled to invoke any of the laws or protections that may apply to employees of the United States government or the Commonwealth of Puerto Rico. Contractor shall have full liability for their acts. Contractor shall bear all expenses associated with the employment of such individuals, and assume sole responsibility for compliance with applicable laws, rules, regulations and orders regarding Contractor's employees.

4. Nondisclosure.

4.1 Recognition of Board's Rights; Nondisclosure. Contractor understands and acknowledges that the Board has a protectable interest in its Confidential Information (defined below). At all times during the term of this Agreement and thereafter, Contractor will hold in strictest confidence and will not disclose, use, lecture upon or publish any of the Board's Confidential Information, except as such disclosure, use or publication may be required in connection with Contractor's services for the Board, or unless the Board expressly authorizes such in writing. Contractor will obtain the Board's written approval before publishing or submitting for publication any material (written, verbal, or otherwise) that relates to Contractor's services for the Board and/or incorporates any Confidential Information. Contractor hereby assigns to the Board any rights Contractor may have or acquire in such Confidential Information and recognizes that all Confidential Information shall be the sole property of the Board and its assigns. Contractor will take all reasonable precautions to prevent the inadvertent or accidental disclosure of Confidential Information.

4.2 Confidential Information. The term "**Confidential Information**" shall mean any and all confidential and/or proprietary knowledge, data or information of or used by the Board, whether having existed, now existing, or to be developed during the term of this Agreement. By way of illustration but not limitation, "**Confidential Information**" includes (a) trade secrets, inventions, mask works, ideas, processes, formulas, source and object codes, data, programs, other works of authorship, know-how, improvements, discoveries, developments, designs and techniques and any other proprietary technology and all Proprietary Rights therein (hereinafter collectively referred to as "**Inventions**"); (b) information regarding research, analysis, development, business plans, budgets and unpublished financial statements, licenses, prices and costs, margins, credit terms, forecasts, future plans and potential strategies, financial projections and business strategies, operational plans, financing and capital-raising

plans, activities and agreements, internal services and operational manuals, methods of conducting Board business, suppliers and supplier information, and purchasing; (c) information regarding any of the Board's contractors, vendors, or representatives and their services, including names, representatives, proposals, bids, contracts and their contents and parties, the type and quantity of products and services received by the Board, and other non-public information relating to Board contractors, vendors, or representatives; and (d) information regarding personnel, employee lists, compensation, and employee skills. Notwithstanding the foregoing, it is understood that, at all such times, Contractor is free to use information which is generally known publicly or in the trade or industry through no breach of this Agreement or other act or omission by Contractor.

4.3 Third Party Information. Contractor understands, in addition, that the Board has received and in the future will receive from third parties, including the Commonwealth of Puerto Rico, confidential and/or proprietary knowledge, data, or information ("**Third Party Information**") subject to a duty on the Board's part to maintain the confidentiality of such information and to use it only for certain limited purposes. During the term of this Agreement and thereafter, Contractor will hold any Third Party Information disclosed by the Board or obtained in connection with its work in the strictest confidence and will not disclose to anyone (other than Board members and personnel who need to know such information in connection with their work for the Board) or use, except in connection with Contractor's services for the Board, Third Party Information unless expressly authorized by the Executive Director or a member of the Board in writing. Contractor shall comply with all applicable laws, rules, and regulations concerning confidentiality.

4.4 Term of Nondisclosure Restrictions. Contractor understands that Confidential Information and Third Party Information is never to be used or disclosed by Contractor, as provided in this Section 4. If, however, a court decides that this Section 4 or any of its provisions is unenforceable for lack of reasonable temporal limitation and the Agreement or its restriction(s) cannot otherwise be enforced, Contractor and the Board agree that the two (2) year period after the termination of this Agreement shall be the temporal limitation relevant to the contested restriction, provided, however, that this sentence shall not apply to trade secrets protected without temporal limitation under applicable law.

4.5 No Improper Use of Information. During the term of this Agreement, Contractor will not improperly use or disclose any Confidential Information or trade secrets of any person or entity to whom Contractor has an obligation of confidentiality, and Contractor will not bring onto the premises of the Board any documents or any property belonging to any person or entity to whom Contractor has an obligation of confidentiality unless consented to in writing by that person or entity. During Contractor's engagement as an independent contractor performing services for the Company, Contractor may also have access to "Inside" or non-public information about one or more companies associated with the Board's work. Use of "Inside," Confidential Information or Third Party Information in making any investment is absolutely prohibited, and Contractor represents and warrants that Contractor will comply with all applicable securities laws and regulations.

5. Records. To the extent that Contractor is required to develop, review and/or analyze Confidential Information or Third Party Information, Contractor further shall to store and maintain all Confidential Information in a secure place. Such material shall at all times remain the exclusive property of the Board and/or the applicable third party, unless otherwise agreed to in writing by a Board member or the Board's Executive Director.

6. Return of Board Property. On the earlier of termination of this Agreement or a request by the Board's Executive Director, Contractor shall return to the Board all the Board property which Contractor obtained from the Board or created in the course of any Project Assignment, including any Confidential Information and Third Party Information. Contractor acknowledges that all such property shall at all times remain the exclusive property of the Board, unless otherwise agreed to in writing by a Board member or the Board's Executive Director.

7. No Conflict of Interest. During the term of this Agreement, Contractor will not accept work, enter into a contract, or accept an obligation from any third party, inconsistent or incompatible with Contractor's obligations, or the scope of services rendered for the Board, under this Agreement or any Project Assignment. Contractor shall not take actions during the term of this Agreement or any Project Assignment that would constitute or could create the appearance of a conflict of interest with the Board's mission or the work performed by the Contractor for the Board. Contractor represents that Contractor's performance of all the terms of this Agreement and any accepted Project Assignment does not and will not breach any agreement or obligation of any kind made prior to the execution of this Agreement, including any noncompete agreement or any agreement to keep in confidence information acquired by Contractor in confidence or in trust. Contractor has not entered into, and Contractor shall not enter into, any agreement either written or oral in conflict herewith. Contractor shall indemnify the Board from any and all loss or liability incurred by reason of the alleged breach by Contractor of any services agreement with any third party. Contractor, after the termination of this Agreement, shall not provide services on the matters on which Contractor was engaged to others having interests adverse to the Board's interests.

8. Compliance with Laws, Regulations, and Vendor Code of Conduct. While providing services for the Board, Contractor shall comply with all applicable laws, rules and regulations, as well as all applicable Board policies and rules, including without limitation the Board's Vendor Code of Conduct and its disclosure certification. A copy of the Vendor Code of Conduct and its Vendor Code of Conduct Disclosure Certification is attached as *Exhibit B* hereto.

9. Term and Termination.

9.1 Term. Unless earlier terminated as provided in this Agreement or by mutual written agreement of the parties, the initial term of this Agreement is for one (1) year from the Effective Date set forth above; however, if at the one-year anniversary of the Effective Date Contractor has an active Project Assignment, the initial term shall be extended to the scheduled completion date of the Project Assignment unless otherwise terminated as provided for by the Agreement. Thereafter, the parties may renew the Agreement for an additional term of the same or a different period by mutual, written agreement prior to the expiration of the term.

9.2 Termination by Board. The Board may terminate this Agreement or any Project Assignment upon the earlier of (i) thirty (30) days written notice, and (ii) Contractor's material breach of either Section 4 ("Nondisclosure") or section 10 ("Noninterference with Business") of this Agreement. Termination shall neither eliminate accrued amounts owing to Contractor nor any amounts owing to the Board due to Contractor's breach.

9.3 Termination by Contractor. Contractor may terminate this Agreement or any Project Assignment: (i) upon thirty (30) days written notice in the event of a material breach by the Board of this Agreement or any Project Assignment, *provided that*, such breach remains uncured at the end of such thirty (30) day period; or (ii) upon sixty (60) days written notice.

9.4 Survival. The rights and obligations contained in Sections 4 ("Non-Disclosure") of this Agreement and 10 ("Noninterference with Business") shall survive the termination or expiration of this Agreement regardless of the reason, and the assignment of this Agreement by the Board to any successor in interest or other assignee.

10. Noninterference with Business. During this Agreement, and for a period of two (2) years immediately following its termination, Contractor shall not interfere with the business or activities of the Board in any manner. By way of example and not of limitation, Contractor shall not:

10.1 solicit, induce, encourage, or participate in soliciting, inducing, or encouraging any employee of the Board to terminate his or her relationship with the Board;

10.2 hire, or employ, or attempt to hire or employ any person employed by the Board or who has left the employment of the Company within the preceding six (6) months or discuss any potential employment or business association with such person, even if Contractor does not initiate the discussion or seek out the contact;

10.3 solicit, induce or attempt to induce any consultant or independent contractor with whom Contractor had direct or indirect contact or whose identity Contractor learned as a result of Contractor's engagement with the Board, to terminate, diminish, or materially alter in a manner harmful to the Board its relationship with the Board; or

10.4 for two years after the termination of this Agreement, represent or provide assistance pertaining to matters on which Contractor was engaged to any other entity or person having interests adverse to the Board's interests.

11. Successors and Assigns. Contractor may not subcontract or otherwise delegate its obligations under this Agreement without the prior written consent of the Executive Director of the Board. Subject to the foregoing, this Agreement will be for the benefit of the Board's successors and assigns, and will be binding on Contractor's assignees. Notwithstanding the foregoing, nothing in this Agreement shall prevent Contractor from utilizing Contractor's employees to perform services under the Agreement or any Project Assignment.

12. Indemnification. Contractor shall indemnify and hold harmless the Board and its members, officers, directors and employees from (a) all taxes, penalties and interest the Board may be required to pay as a result of Contractor or any of Contractor's personnel being deemed an employee of the Board; (b) any other tax liability or payments related to or resulting from this Agreement or the services rendered by Contractor for the Board; (c) any claims, losses, actions (including attorney's fees) or liability resulting from or related to any action taken or omitted by Contractor or any of its personnel. In no event will the Board be liable for any consequential, indirect, exemplary, special or incidental damages arising from or relating to this Agreement. The Board's total cumulative liability in connection with this Agreement, whether in contract or tort or otherwise, will not exceed the aggregate amount of fees and expenses owed by the Board to Contractor for services performed under this Agreement.

13. Non-Disparagement. Contractor will not, during the term of the Agreement, and for two (2) years thereafter, disparage the Board, its members, officers, or employees. Contractor shall indemnify and hold the Board, its members, officers, directors, and shareholders harmless from and against any and all losses, claims, damages, or expenses, (including attorneys' and experts' fees) arising from or growing out of any disparaging statement made by Contractor in violation of this Section 13.

14. Reasonableness of Restrictions.

14.1 Contractor has read this entire Agreement and understands it. Contractor acknowledges the restrictions contained in this Agreement are reasonable, proper, and necessitated by the Board's legitimate business interests.

14.2 In the event that a court finds this Agreement, or any of its restrictions, to be ambiguous, unenforceable, or invalid, Contractor and the Board agree that this Agreement will be automatically modified to provide the Board with the maximum protection of its business interests allowed by law and Contractor shall be bound by this Agreement as modified.

15. Legal and Equitable Remedies.

15.1 Contractor acknowledges it may be impossible to assess the damages caused by Contractor's violation of Sections 4 ("Non-Disclosure") and 10 ("Noninterference with Business") of this Agreement. Any threatened or actual violation of such Sections of this Agreement will constitute immediate and irreparable injury to the Board and the Board shall have the right to enforce those Sections of this Agreement by injunction, specific performance or other equitable relief, without bond and without prejudice to any other rights and remedies that the Board may have for a breach or threatened breach of those Sections or any other Section of this Agreement.

15.2 If the Board is successful in whole or in part in any legal or equitable action against Contractor under this Agreement, the Board shall be entitled to payment of all costs, including reasonable attorneys' fees, from Contractor.

15.3 In the event Company enforces this Agreement through a court order, the restrictions of Section 10 shall remain in effect for a period of twelve (12) months from the effective date of the Order enforcing the Agreement.

16. Notices. Any notices required or permitted hereunder shall be given to the Board at its primary office location, at Contractor's address as listed below, or at such other address as the party shall specify in writing. Such notice shall be deemed given upon personal delivery to the appropriate address or three (3) days after the date of mailing if sent by certified or registered mail.

17. Governing Law; Consent to Personal Jurisdiction; Waiver of Jury Trial. This Agreement shall be governed by the laws of the State of New York independent of its choice of law principles. This Agreement is not a United States government contract or contract of the Commonwealth of Puerto Rico. Consequently, United States and Commonwealth contracting and contract protest laws do not apply to this Agreement. Any action against the Board shall be brought in accordance with PROMESA § 106. Contractor hereby expressly consents to the personal jurisdiction and venue of the state and federal courts in the City of New York, borough of Manhattan, and the federal courts located in Puerto Rico for any lawsuit filed there against Contractor by the Board arising from or related to this Agreement. The Board and Contractor each waive all rights to jury trial under New York State law, Commonwealth of Puerto Rico law, and federal law.

18. Severability. In case any one or more of the provisions, subsections, or sentences contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect the other provisions of this Agreement, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein. Moreover, if any one or more of the provisions contained in this Agreement shall for any reason be held to be excessively broad as to duration, geographical scope, activity or subject, it shall be construed by limiting and reducing it, so as to be enforceable to the extent compatible with the applicable law as it shall then appear.

19. Waiver. No waiver by the Board of any breach of this Agreement shall be a waiver of any preceding or succeeding breach. No waiver by the Board of any right under this Agreement shall be construed as a waiver of any other right. The Board shall not be required to give notice to enforce strict adherence to all terms of this Agreement. Nothing herein waives any exemption from liability or other rights of the Board under PROMESA.

20. Entire Agreement. This Agreement is the final, complete and exclusive agreement of the parties with respect to the subject matter hereof and supersedes and merges all prior discussions between the parties. No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, will be effective unless in writing and signed by the party to be charged.

In Witness Whereof, the parties have executed this Agreement as of the date first written above.

VENDOR/CONSULTANT/REPRESENTATIVE CODE OF CONDUCT

The Financial Oversight and Management Board for Puerto Rico (the “Board”) is committed to ethical and lawful behavior, and to acting professionally and fairly in all of its business dealings and relationships. The Board seeks to maintain high ethical standards and to comply with all applicable laws and regulations. The Board expects its vendors, consultants, and representatives to embrace this commitment to ethical and lawful behavior by complying with and training its employees on the Board’s Vendor Code of Conduct. The Board also expects its vendors to have their own codes of conduct that ensure ethical business conduct and practices.

I. Compliance with the Vendor Code of Conduct

All vendors, consultants, and representatives and their employees, agents, and subcontractors (collectively referred to as “Vendors”) must adhere to this Code of Conduct while conducting business with or on behalf of the Board. Vendors must promptly inform the Executive Director, the General Counsel, or a member of the Board when any situation develops that causes, or may cause, the Vendor to violate any provision of this Code of Conduct. Although Vendors are expected to self-monitor and demonstrate their compliance with this Code of Conduct, the Board may audit Vendors and/or inspect Vendors’ facilities and records to confirm compliance.

The Board may require the immediate removal from any project or engagement of any Vendor representative(s) or personnel who behave in a manner that is unlawful or inconsistent with this Code of Conduct or any Board policy. Compliance with this Code of Conduct, as well as attendance at any training on this Code of Conduct as may be offered by the Board, is required in addition to any other contractual obligations a Vendor may have to the Board.

II. Legal and Regulatory Compliance Practices

Vendors must conduct their business activities on behalf of the Board in full compliance with the letter and spirit of all applicable laws and regulations.

- **Anti-Corruption.** The Board takes a zero-tolerance approach to bribery and corruption, and it requires its Vendors to do the same. Vendors must not participate in bribes or kickbacks of any kind, whether in dealings with the Board, government and public officials, or individuals in the private sector. Vendors must also comply with all applicable anti-corruption and anti-money laundering laws, as well as laws governing gifts and payments to public officials, political campaign contribution and lobbying laws, and other related regulations. In particular, Vendors must not:
 - Offer, promise, or allow anything of value (including travel, gifts, hospitality expenses, and charitable donations) to be given on behalf of the Board to influence a business or government decision, gain an improper advantage, or otherwise improperly promote the interests of the Board in any respect;
 - Offer, promise, or allow anything of value to be given to a Board member or employee to influence a Board decision or otherwise gain an improper advantage; or

- Ask for or accept anything of value which the Vendor knows or suspects is being offered to influence a Board decision or otherwise obtain an improper advantage in connection with the Vendor's work with or on behalf of the Board.
- **Antitrust/Fair Business Practices.** Vendors must conduct their business in full compliance with antitrust and fair competition laws that govern the jurisdictions in which they conduct business. Vendors must also uphold all standards of fair dealing and abide by all fair business practices, including truthful and accurate advertising.
- **Trade.** Vendors shall comply with all applicable trade controls, as well as any applicable export, re-export, and import laws and regulations. Vendors must not knowingly employ or do business with anyone reasonably suspected of being connected with criminal or terrorist activities or who is otherwise subject to applicable trade sanctions.
- **Freedom from Unlawful Harassment and Discrimination.** Vendors shall provide a workplace free from harassment and/or discrimination in hiring, compensation, access to training, promotion, termination, and/or retirement on the basis of race, color, creed, religion, sex, gender identity or expression, sexual orientation, pregnancy, status as a parent, age, marital status, national origin, ancestry, citizenship status, physical or mental disability or serious medical condition, protected genetic information, political beliefs, status as a veteran, or any other characteristic protected by law. Vendors shall further prohibit any form of reprisal or retaliation against any employee for reporting harassment or discrimination in good faith or for participating in good faith in a harassment or discrimination investigation.
- **Wages, Benefits and Working Hours.** Vendors must comply with local applicable laws regarding wages, overtime hours and mandated benefits. Vendors must also communicate with workers about compensation, including any overtime pay, in a timely and honest manner.
- **Freely Chosen Employment.** No Vendor shall use any form of indentured, slave, or forced labor, including involuntary prison labor. Vendors are also prohibited from supporting or engaging in any form of human trafficking of involuntary labor through threat, force, fraudulent claims, or other coercion.
- **Child Labor.** Vendors shall comply with all local and national minimum working age laws or regulations and not use child labor. All employees shall be age 18 and over unless: (i) a country's legal age for employment or age for completing compulsory education is under 18; and (ii) the work is non-hazardous.

III. Business Practices and Ethics

Vendors must conduct their business interactions and activities with integrity.

- **Honesty and Integrity.** Vendors must at all times be honest, direct, and truthful in discussions with the Board, its staff and agents, regulatory agency representatives, and government officials.
- **Business and Financial Records.** The Board expects Vendors to timely, honestly, and accurately record and report all business information, including without limitation any invoices for payment, and comply with all applicable laws regarding their creation, completion, accuracy, retention, and disposal. All invoices must be (i) timely submitted, (ii) itemized, (iii) supported

by appropriate documentation, and (iv) must comply with all other requirements as set out in the relevant contract(s).

- **Conflicts of Interest.** Vendors shall scrupulously avoid any conflict, real or perceived, direct or indirect, between their own individual, professional, or business interests and the interests of the Board. Among other things, Vendors must not deal directly with any Board member or *ex officio* member or employee whose spouse, domestic partner, or other family member or relative is associated with and/or holds any ownership or other financial interest in the Vendor. In the course of negotiating the Vendor agreement or performing the Vendor's obligations, dealing directly with a Vendor personnel's spouse, domestic partner, or other family member or relative employed by the Board is also prohibited. Complying with this requirement includes, but is not limited to, each Vendor's completion of the Vendor Conflict of Interest Disclosure Certification attached as **Appendix A** hereto.
- **Gifts and Entertainment.** Vendors should avoid any actions with Board members or *ex officio* members or employees during any vendor selection or re-selection process that could give others the impression of favoritism or other improper advantage. Furthermore, Vendors should not offer, and Board members, *ex officio* members, and employees must not accept, gifts or entertainment that might compromise, or appear to compromise, the Board member or employee's judgment or independence. Even a well-intentioned gift might constitute or be perceived to be a bribe under certain circumstances, or create a conflict of interest or the appearance of a conflict of interest. Board employees are required to conduct all business and interactions with Vendors in strict compliance with the applicable provisions of the Board's business ethics and conflict of interest policies.
- **Confidentiality, Privacy and Data Security.** Vendors shall, at all times while they are engaged by the Board and thereafter, (i) hold all proprietary and confidential information of the Board in strictest confidence, (ii) not use or disclose for any purpose any proprietary and confidential information of the Board to any person, business or entity, except as specifically authorized in writing by the Board, and (iii) not disclose for any purpose any non-public information concerning their retention by the Board or their services for the Board, except as specifically authorized in writing by the Board. Vendors shall abide by all Board requirements and procedures for protecting the proprietary and confidential information of the Board, including signing and abiding by the Board's confidentiality agreements. Vendors who handle proprietary and confidential information on behalf of the Board or belonging to the Board must apply and maintain sufficient privacy and information security safeguards. Vendors shall also be subject to an information and data security assessment.
- **Media.** Vendors are prohibited from speaking to the press or making any public statements, oral or written, concerning their work for or on behalf of the Board without the express written authorization of the Board.
- **Reporting Concerns.** Vendors shall maintain a hotline or other reporting system for their workers to confidentially and anonymously report any information or concerns about suspected non-compliance or violations of law or improper conduct by any Vendor employee or agent without threat of reprisal, intimidation or harassment. If concerns are reported, Vendors shall promptly and thoroughly investigate any such report and take corrective action as necessary and appropriate.

I certify by my signature below that I have received and reviewed, and am authorized on Vendor's behalf to agree that Vendor shall abide by this Code of Conduct:
